

The Transportation Program Task Group (TPTG) meetings are **inter-agency** meetings.

The TPTG is a working group that provides advice to the [Transportation Coordinating Committee \(TCC\)](#) regarding the [Transportation Improvement Program \(TIP\)](#) and the long range system maps for the urban area. The TPTG uses a set of evaluation criteria to develop the draft Transportation Improvement Program prior to its release for public review and comment.

The TPTG also reviews and comments on proposals to amend the long range transportation system maps when the maps are updated. The TPTG membership is drawn from technical staff from the various local agencies and the New Mexico Department of Transportation.
